My wedding day at The Breakers Palm Beach was the most perfect day. The level of service provided by The Breakers' staff was truly exceptional. Every aspect of our wedding, from our flowers to our wedding cake, was designed with a high level of detail and style. I was very impressed by how thoughtful and attentive The Breakers' staff was towards my family and me. The staff's outstanding talent and professionalism made every step of the planning process a pleasure. They made our special day truly spectacular and surpassed our expectations. The gorgeous ballrooms, oceanfront views and classic architecture are one of a kind. We will always remember our Big Day at The Breakers with great fondness. My husband and I could not wait to return to The Breakers again to celebrate our one-year wedding anniversary! It was just as we remembered: elegant, breathtaking and unforgettable.

While I was never the little girl who dreamt about her wedding day, I am guessing that my wedding at The Breakers is probably what most little girls had in mind. The setting was gorgeous, the service impeccable, and the food delicious (especially our amazing hors d'oeuvres and ice cream sundaes!). Years later, it is STILL the wedding that our friends talk about. The Breakers staff was incredibly responsive throughout the entire planning process and ensured that everything was perfect for our big day. Even with the advantage of hindsight, we wouldn't change a thing!

I want to thank you for creating the most memorable and beautiful evening of our lives! You and your staff made every guest feel like a prince or a princess for a night. Most important, you made Stacey and Jason feel like a queen and king and gave them memories that will last a lifetime. They were truly overwhelmed with the enchanted evening you helped make for them and all of us. The entire evening was magical. There was not one flawed moment. Our guests marveled at the beauty of the hotel, the exquisite food and presentation, and the attentive service. It was truly a perfect evening. You even managed to order perfect weather.

Please extend our heartfelt thanks to everyone that worked with you to make Stacey and Jason's wedding such a fairytale evening!
